

THE HOTEL

The Bergheim 41 is a contemporary modern city hotel. The interior design and the selection of materials are state of the art. In addition, the interactive light installation provides a comfortable and enchanting ambience. The Hotel is constructed using the low energy recovery method. This provides a pleasant experience throughout the year. The Hotel features a roof garden and various rooms with a castle view.

ALTES HALLENBAD

The old indoor swimming pool was built in 1903-1906 by the owner Alois Veth. The name of the architect was Franz Sales Kuhn. It was used by the inhabitants of Heidelberg and visitors until 1981. In 2008 the entire complex was sold to an investor. Towards Bergheimer Straße the old complex will be supplemented with the modern architecture of the Hotel Bergheim 41.

- New concept for events (Frauenbad)
- Museum „Körperwelten“
- Bio Supermarket, Restaurants
